

Part-time Supervising Psychologist Springboard Clinic

Springboard Clinic is a compassionate and caring mental health clinic in downtown Toronto that provides medical, psychological and educational support to individuals with learning and attention issues. As a dynamic team of healthcare providers, we are all very passionate about the services we provide.

We are looking for a psychologist licensed by the College of Psychologists of Ontario (CPO) to join our multidisciplinary team in a part-time capacity. We are a team that shares a strengths-based philosophy of care, and works together to empower our clients of all ages.

Job type: 1-2 days/week

Timing: Training hours in September, full role to start in October, 2018

Location: 1055 Yonge St., Suite 301, Toronto, ON

Duties & Responsibilities

- Provide supervision to our clinical treatment team via weekly or bi-weekly supervision meetings
- Collaborate regularly with medical team members to ensure integration of services

Skills & Knowledge

- Strong interpersonal skills
- Conscientious and experience in a supervisory capacity
- Passion for and experience working with multi-disciplinary health teams

Please contact Springboard Clinic at 416-901-3077 or info@springboardclinic.com for more information.
